

BCCSL Discipline Registration and Reporting

- New system for BCCSL (most of our games) – do not use for BCSPL
- Requires registration that will validate your status as a referee with the BC Soccer roster
- Following two pages show where to find the Referee Registration on BCCoastalSoccerLeague.ca
- Before attempting, go to your RefCentre account to find your Referee Number if you don't know it already
- Once you submit form, wait for an email for a password reset
- Click the link and create a password. Whether you use the other password features is up to you.
- Once set up, you will log your yellow and red cards through the Referee Portal on the same site.
