Basic Uniform

Jersey (\$30)

Shorts (\$25)

Socks (\$5)

Equipment

Flags (\$20)

FOX Whistle/Watch (\$30)

Ref Wallet (\$7)

- Jersey colour clash with team - wear a pinnie during the game
- Socks pulled up
- Just one watch
- Referee Badge – Velcro or pin
- Forgot your watch – small sided, ok to ask a coach or manager to time for you – don't be using your phone!
- No sunglasses. Toques ok when it is cold ($<5^{\circ}\text{C}$). Cap for low sun or heavy rain.

Confident First Impression

Game Sheets (Roster List)

- ◆ Player cards are electronic or a print out where required (not small sided)
- ◆ If Red and Yellow cards can be issued (U11 and up) coach must provide a two copy list (one for you, one for other team) of player names with number
- ◆ There is no excuse for not having the list and they can write it by hand on a sheet of paper prior to game time if they “forgot it at home” – but only non-BCCSL games.
- ◆ For full field games, no handwritten added names on official game roster.

Rule Adaptations – Small Sided

- ◆ U13 is 9V9, played on ½ field (same as U11/12) all U11/12 small sided rules apply.
- ◆ U11, U12 are 30 minute halves. U13 has 35 minute halves. Ball size 4.
- ◆ U9/10 remains with a throw in and one redo on foul throws. BC Soccer referee training speaks of a kick in but that has not been adopted on the North Shore.
- ◆ U11 gets one redo on foul throw-ins.
- ◆ Scores are not kept for any small sided game.
- ◆ U9, U10 retreat line is at half
- ◆ U11, U12, U13 retreat line is at 1/3
- ◆ While not a Rule, at U9/10 opponents shall allow the keeper to get the ball in play on a keeper possession (not goal kick). Opponents do not have to retreat to the retreat line but must not pressure the keeper and shall allow the keeper's pass to be received or well in play.

Discipline

- ◆ Discipline Reports filed for Yellow and Red Cards
- ◆ Reports are filed at SpAppz site in BC Coastal league site.
- ◆ If there are issues, expect a call or email from Discipline

On Field Issues

- ◆ For U11/12/13 Cards, contact Referee Assignor or Discipline Representative first
- ◆ For non-card issues (unacceptable behaviours, unnecessary comments) especially from coaches or parents:
 - ◆ Send a brief description to RefereeAssignor@nsysa.ca, they will forward it to the appropriate Head Referee and Discipline Representative
 - ◆ If you see a Mentor at the field, discuss it with them right away
 - ◆ Don't let a wound fester. Talking about it sooner is better for everyone.

Mentoring

- Within your first 3 games, expect a Mentor to be present
- Talk before game, at half time, and end of game
- If they said you are being mentored, don't leave field without talking to Mentor
- Constructive advice to help you develop from the stage you are at to the next stage
- It is not the same for everyone

Weather

- ◆ Check Field Status at NVRec or WestVanRec websites or Twitter Feed – not usually an issue until it starts to rain and snow.
- ◆ Watch for email from RefereeAssignor telling you of cancellations
- ◆ Games delayed 30 minutes from last observed thunder or lightning strike – if it is heard or seen, it is a strike.
- ◆ Review our slides on Field Playability on our website

Field Status

- ◆ Referees are responsible for checking FIELD STATUS before leaving for their games – if the weather has turned foul, double check
- ◆ You might have to move to an alternate field
- ◆ WestVan and NorthVan parks have updates on their websites

Field Status Sites – North Van City and District

<https://www.nvrc.ca/facilities-fields/field-status-locations>

The screenshot shows the North Vancouver Recreation & Culture website. The header includes the logo and navigation links for English, Contact, Registration & Login, and Notices, Events & Blog. The main navigation bar lists Programs, Visits & Memberships, Facilities & Fields, and Arts & Culture. The left sidebar contains links to Facilities & Fields, Community Recreation Centres, Locations & Hours, North Vancouver Tennis Centre, Accessibility, and Field Status & Locations (which is highlighted). The main content area is titled 'Field Status & Locations' and includes a section for 'COVID-19 Notices & Closures' dated Thursday July 29 @ 1:30pm. The text states that all ATF fields are open for permitted play this weekend, with park rangers monitoring for sun compliance. It also advises hydration, shade, and following twitter feeds for updates. A note mentions that Super 8 goals must be moved after each game to reduce wear. At the bottom, it states that Super 8/time shack keys are now provided by youth soccer clubs, and anyone else needing a key will need to meet and purchase keys at the Delbrook center, which remains partially closed.

If you have any questions about the fields after 4pm on Friday, please correspond with the @DNVfield or @C accounts as they are available all weekend.

The screenshot shows a tweet from @CNVFields. The text reads: 'Just a heads up. All of our grass fields are closed today and tomorrow June 28/29. They are unplayable in this extreme heat, and play risks further damage that could take fields out of play longer. Please keep off the fields in terms of team sport play, or drills.' Getting to your game on time

- ◆ For Small Sided games, arriving 20 minutes before start time is perfect.
- ◆ For most AR positions, arriving 20 minutes before start time is expected.
- ◆ For Full Field Centre Referee, arriving 30 minutes before start time is best, 20 minutes is minimum.
- ◆ Getting to the field 5 minutes before kick off puts too much stress on everyone. But if doing back-to-back small sided games at the same field, little option.

Game Timing

- 💧 Turf fields have minimal time between games
- 💧 NO injury or stoppage time – Cup Games normally have extra time on schedule to allow Penalty Kicks to decide game so can play reasonable stoppage
- 💧 No stoppage time added, but let a breakaway or similar goal scoring opportunity complete before ending half
- 💧 Game starts late, decrease both halves equally to compensate
- 💧 A bit more flexibility on grass as the scheduling is not as tight

Unable to make your game

- ◆ Go into Referee Scheduler and Release game if know you can't make it more than 3 days before game.
- ◆ If less than 3 days to game time, email RefereeAssignor@nsysa.ca
- ◆ If you are SICK or INJURED, call (don't text) 604-363-1912 right away – one hour before game time is not sufficient time to find a replacement
- ◆ “This is Mea Culpa. I am sick and won't be able to ref my game Saturday, 9:00 at Kirkstone North. Sorry.”

Expectations

- 💧 Referee a minimum of one game per week.
- 💧 Best is one CR and one AR each weekend.

Have Fun

- ◆ Players, coaches, and officials all should enjoy the game.
- ◆ Officials help to keep the game safe and fair, but everyone has to do their part
- ◆ It can help to remind yourself and those around you that this is a fun sport and inclusive league
